

FSC Controlled Wood National Risk Assessment ~ Atlanta Certificate Holder Meeting ~

Wednesday, August 7, 2019 – 1:00-5:00pm

Loudermilk Conference Center - Anne Cramer Conference Room
40 Courtland Street NE, Atlanta, GA 30303

Meeting Objectives

- ✓ Increase the comfort level of certificate holders with the existing materials available related to using the FSC US National Risk Assessment and implementing associated risk mitigation
- ✓ Identify knowledge gaps of certificate holders and address either with existing materials or by recognizing the need for new resources

Desired Outcomes

- ✓ Certificate holders are heard and have more resources when they leave the meeting than they had when they arrived for achieving conformance with the FSC Controlled Wood Standard, particularly related to non-certified materials sourced from the conterminous United States
- ✓ FSC US staff understand certificate holder resource needs and are able to prioritize work to develop additional materials

100 FSC Welcome & Introductions

115 Antitrust Statement & Considerations

As participants in this meeting, we need to be mindful of the constraints of antitrust laws. There shall be no discussions of agreements or concerted actions that may restrain competition. This prohibition includes the exchange of information concerning individual prices, rates, market practices, or any other competitive aspect of an individual company's operation. Each participant is obligated to speak up immediately for the purpose of preventing any discussion falling outside these bounds.

120 Agenda Overview; Meeting Objectives & Desired Outcomes

130 Presentation – FSC US National Risk Assessment & the US Mitigation Approach

Emphasis will be on issues and topics that have previously generated more questions. Participants are encouraged to ask questions during the presentation so that they may be addressed in context.

230 Extended Question & Answer Session

300 Coffee Break

315 Potential Partners – Mitigation Option Implementation Opportunities

American Forest Foundation, Forest Stewards Guild, Amphibian and Reptile Conservancy, Longleaf Alliance, The Nature Conservancy, Master Loggers, Others?

415 Small Group & One-on-One Discussion

Locations will be identified for non-facilitated, small group discussions related to identified priorities (based on interest identified at sign-in), potentially including forest conversion, Longleaf Pine Systems, Late-Successional Bottomland Hardwoods, and Mesophytic Cove Sites.

500 Adjourn
