

Controlled Wood FSC US National Risk Assessment: **Resources for Mitigation – Klamath-Siskiyou CBA**

The following provides a list of organizations, regional programs, collaborative partnerships, research groups and universities, or agencies who are working on issues relevant to the Klamath-Siskiyou CBA. This list is provided as a resource for certified organizations as they seek to implement mitigation options in the region. Certified organizations are not limited to working with the entities listed herein. FSC US does not endorse any particular resource – it is the responsibility of the certified organization to assess the adequacy of the resource for their particular context and intended use.

This list will continue to be updated, check the FSC US Controlled Wood National Risk Assessment website for updates.

If you have recommendations for entities to add to this list of resources, please contact FSC US at j.anderson@us.fsc.org.

Organizations & Regional Programs

[Forest Legacies - Klamath-Siskiyou](#) – initiative of the Geos Institute that works in partnership with others to promote forest conservation in the region.

[Klamath-Siskiyou Wildlands Center](#) – conservation organization working to protect and restore forests in the K-S region through policy and community action

[Know Your Forest](#) – collaborative program providing Oregon forest landowner education.

[Oregon Conservation Strategy – Klamath Mountains](#) – state strategy to maintain and restore habitat and wildlife populations, and includes overview of the ecoregion.

[Pacific Forest Trust](#) – develops economic incentives for private forest owners for land conservation.

[Siskiyou Field Institute](#) – promotes increased understanding of the K-S region through education, research, and public engagement.

[University of California Davis – CA Family Forest](#) – program that works with California landowners to support forest stewardship.

[World Wildlife Fund – Global 200 – Klamath-Siskiyou](#) – provides description of Klamath-Siskiyou ecosystem and conservation status.

Klamath-Siskiyou CBA – Research & Reports

[Conservation Biology Institute – A Science-Based Assessment for the Klamath-Siskiyou Ecoregion](#) – tool developed by CBI to assess the environmental status of the K-S region.

Dellasala, Dominick & Reid, S.B. & Frest, T.J. & Strittholt, James & Olson, David. (1999). [A global perspective on the biodiversity of the Klamath-Siskiyou Ecoregion](#). Natural Areas Journal. 19. 300-319.
