

## Controlled Wood FSC US National Risk Assessment: **Resources for Mitigation – Patch-Nosed Salamander**

The following provides a list of organizations, regional programs, collaborative partnerships, research groups and universities, or agencies who are working on issues relevant to the Patch-Nosed Salamander. This list is provided as a resource for certified organizations as they seek to implement mitigation options in the region. Certified organizations are not limited to working with the entities listed herein. FSC US does not endorse any particular resource – it is the responsibility of the certified organization to assess the adequacy of the resource for their particular context and intended use.

This list will continue to be updated, check the FSC US Controlled Wood National Risk Assessment website for updates.

If you have recommendations for entities to add to this list of resources, please contact FSC US at [j.anderson@us.fsc.org](mailto:j.anderson@us.fsc.org).

### **Resources & Organizations**

[AmphibiaWeb - Patch-nosed Salamander \(\*Urselaperpes brucei\*\)](#) – provides a summary of the species including habitat and range.

[Amphibian and Reptile Conservancy](#) – promotes the conservation of amphibians, reptiles, and their habitats in the United States.

Camp, C. D., Brock, T. L., Pierson, T. W., Milanovich, J. R., & Maerz, J. C. (2018). [Life history and habitat of the rare patch-nosed salamander \(\*Urselaperpes brucei\*\)](#). *Herpetological Conservation and Biology*, 13(3), 609-616.

[Georgia Department of Natural Resources – State Wildlife Action Plan \(Appendix D\)](#) – listing as high priority species for conservation and research.  
[Patch-nosed salamander fact sheet](#)

[Partners in Amphibian and Reptile Conservation \(PARC\)](#) – partnership working on conservation of amphibians, reptiles, and their habitats in the United States.  
[Southeast Habitat Management Guidelines](#) – recommendations for landowners and managers as they consider the habitat needs in the course of planning.  
[Southeast Partners in Amphibian and Reptile Conservation](#) – serves the southeast branch of PARC.

[US FWS – Patch-nosed salamander fact sheet](#) – fact sheet from 2016 (prior to Camp et al. 2018 research, see above), includes species description and summary of habitat, range, status, threats, and management needs.
